## Handout #2: Times They Are-A-Changin'

Technology and other influences are constantly changing the world of work and occupations as we know them. Consider the following occupations:

- Auto Mechanic
- Farmer
- Secretary
- General Practitioner/Doctor
- Music Recording Technician
- Bank Teller

For the occupation you are focusing on, think about the duties and the skill/educational level required for that occupation – 20 years ago, today and 20 years from now.

Record your responses on the flip side of this sheet....
